DEFENDANT’S MOTION FOR ACCESS TO JUROR QUESTIONNAIRES

TO THE HONORABLE DAVID COUNTS, DISTRICT JUDGE OF THE UNITED STATES
FOR THE WESTERN DISTRICT OF TEXAS:

COMES NOW Defendant THOMAS SCOTT PERKINS (“Mr. Perkins”), by and through the undersigned counsel, and files this Motion for Access to Juror Questionnaires in which he would respectfully show the following:

On information and belief, the Clerk’s Office provides only basic information regarding prospective jurors. Said information does not include prospective jurors’ employers, their spouses’ employers, or a zip code for place of residence.

In order to prepare an adequate and proper defense, Mr. Perkins needs further information regarding the prospective jurors, specifically the information set forth in the juror questionnaires, for the upcoming jury selection scheduled for July 18, 2022, in the above-captioned case. For example, information about the prospective jurors’ employers and their spouses’ employers will assist Mr. Perkins in determining whether a juror may have ties that would prevent him or her from being impartial in this case. Said information will enable Mr. Perkins to properly and fully participate in the voir dire process.

Furthermore, in the event any questions arise as to the selection process, a simple review of the jury questionnaires may obviate the need to resort to the more extensive production

requirements set forth in 28 U.S.C. § 1867. The degree of intrusion into court business should be minimal in light of existing record-keeping requirements. *See* 28 U.S.C. § 1868 (“all records and papers compiled and maintained by the jury commission or clerk . . . shall be preserved in the custody of the clerk . . . and shall be available for public inspection for the purpose of determining the validity of the selection of any jury”).

For these reasons and in the interest of justice, Mr. Perkins respectfully requests the Court grant the present Motion and permit counsel to review the juror questionnaires.

Respectfully Submitted,
